| <p style="text-align: center;"><b>PRELIMINARY PROGRAM</b><br/><b>The Fifth International Mars Science Conference</b><br/><b>July 19–24, 1999</b><br/><b>Pasadena, California</b></p> |
|--|

***Browsing the Program:***

*To view the program listing for a particular session, use the hand tool on the Reader to click on the name of that session. When the listing appears, click on the title of an abstract to view that abstract. An asterisk indicates which author is the speaker, and the number in brackets after each presentation title indicates the abstract number where available. (If there's no abstract number, no abstract is available for that presentation.)*

***Monday, July 19, 1999***

|            |                 |  |
|------------|-----------------|--|
| 8:30 a.m.  | Ramo Auditorium | The Martian Interior                                   |
| 10:10 a.m. | Ramo Auditorium | Martian Crust, Volcanism, and Tectonics                |
| 1:30 p.m.  | Ramo Auditorium | Martian Crust, Volcanism, and Tectonics<br>(continued) |

***Tuesday, July 20, 1999***

|            |                 |   |
|------------|-----------------|---|
| 8:30 a.m.  | Ramo Auditorium | Upper Atmosphere and Volatile Evolution     |
| 11:00 a.m. | Dabney Gardens  | Poster Session I: Early Sessions            |
| 1:00 p.m.  | Ramo Auditorium | Structure and Dynamics of the Atmosphere    |
| 5:00 p.m.  | Dabney Gardens  | Poster Session II: Instruments and Missions |

***Wednesday, July 21, 1999***

|           |                 |                                  |
|-----------|-----------------|----------------------------------|
| 8:00 a.m. | Ramo Auditorium | Water and Ice on Mars            |
| 1:00 p.m. | Ramo Auditorium | Surface Materials: Close-Up View |
| 7:30 p.m. | Ramo Auditorium | Surface Materials: Orbital View  |

***Thursday, July 22, 1999***

|            |                 |   |
|------------|-----------------|---|
| 8:30 a.m.  | Ramo Auditorium | Seasonal Changes: Water, Dust, and Carbon Dioxide             |
| 11:40 a.m. | Dabney Gardens  | Poster Session III: Later Sessions                            |
| 1:30 p.m.  | Ramo Auditorium | Seasonal Changes: Water, Dust, and Carbon Dioxide (continued) |

***Thursday, July 22, 1999, continued***

2:40 p.m.      Ramo Auditorium      Polar Caps and Layered Terrain

***Friday, July 23, 1999***

8:30 a.m.      Ramo Auditorium      Biological Potential of Mars

1:00 p.m.      Ramo Auditorium      Mars: The Future

4:00 p.m.      Dabney Gardens      Poster Session IV: Mars Mapping

***Saturday, July 24, 1999***

8:30 a.m.      Sharp Lecture Hall      ISPRS Workshop: "Mapping of Mars 1999"

***Print-Only Presentations***
